ABOUT LAURENCE DELVALLEZ

Laurence Delvallez is a Belgian brand that designs jewelry for the contemporary woman. Inspired by fashion, art, nature and architecture, we create fashionable jewelry that stands out.

Besides, we highly focus on authenticity. Therefore, Laurence selects her materials in Italy and afterwards, all items are designed and created with care in our Atelier in Waregem.

Our mission is to empower women with confidence. We strongly believe that jewelry can give that extra boost to feel stronger.

At Laurence Delvallez, we handle a personal approach. We have an in-house repair service, as well as a customer service team who's always ready to welcome you.

ABOUT METALLICS

The Metallics-collection is one of a kind.
It's made out of our signature resin and finished
with metallic-colours: gold, silver & metal.
Very light-weight and easy to combine on different
